Did he give you any details other than that he thought it was going poorly?

Hi Ellen,

On Wednesday, August 15th, I received a phone call from Mr. Gillespie, EarthJustice, requesting contact information. During the call, Mr Gillespie provided me with the status of the government-to-government consultation with the Corps.

Thoughts on the current Corps consultation? I'd let Alexis know that we've heard this information through EarthJustice.

Thanks for the additional material. I fixed spelling of Cienega Creek on July 12 paper (not Cienaga). I'd like further insight into the current Corps consultation with tribes, just informally if you want to stop by.
